

“Oh Say Can You See”

Ephesians 3: 14-21

- 1) In v16 Paul talks about “*his glorious riches*” what is he referring to?(cf Eph 1:3-14)

- 2) In the same verse (v16), he writes about strengthening through the Spirit in “your inner being”. Why would the Ephesians need this and do we?

- 3) In v18 why does Paul discuss the love of Christ in the way he does and what are the implications for the Christian seeking to appreciate the fullness of such love?

- 4) Why does Paul include a doxological dimension to this section in v20?
(**doxology**; a hymn, verse, or form of words in Christian liturgy glorifying God)

- 5) Discuss a recent experience when God worked in such a way in your own life.
