

Women's Ministry

Summer Bible Studies

**MONTHLY: *Women's Roles in the Church***  
*now offered morning and evening*

Rev. Brian Stewart will tackle a timely, relevant, and often controversial subject: Women's Roles in the Church. All Christians want to work in their Lord's kingdom, but knowing biblically sanctioned ways to do so has often been confusing for women. Rev. Stewart says, "*We'll discover a number of surprising insights from the Word of God as we learn about some of the critical roles women played in the development of the early Christian movement.*" Childcare is available at the 10:30am studies only. The morning sessions will also feature special music by Sally MacArthur, one of First Pres's noted musicians. Invite your friends each month for these compelling lessons!

**WEEKLY: *The Screwtape Letters***

"A masterpiece of satire, this classic has entertained and enlightened readers the world over with its sly and ironic portrayal of human life from the vantage point of Screwtape, a highly placed assistant to "Our Father Below." At once wildly comic, deadly serious, and strikingly original, C. S. Lewis gives us the correspondence of the worldly-wise old devil to his nephew Wormwood, a novice demon in charge of securing the damnation of an ordinary young man. *The Screwtape Letters* is the most engaging and humorous account of temptation—and triumph over it—ever written." Purchase the book in The Vineyard for \$13.99.
