## Thursdays

---

### *The Gospel of Matthew*

Thursdays • begins January 9

9:30–11:15am • Room 301

This semester, we will continue our study of Matthew’s gospel. Matthew, the first of the four gospel accounts of the life of our Lord, is the longest of the four and the most Jewish. Serving as a bridge between the Old and New Testaments, Matthew presents Jesus as Messiah and King of Israel, the fulfillment of all that the Old Testament anticipates. This study will focus on who Jesus is and what it means for us today to be His disciples and grow into His likeness.

*Contact:* Nancy Caudel • nancycaudel@att.net • 286.1101

### *From Garden to Glory, by Courtney Doctor*

Thursdays • January 23–March 26

9:30–11:00am • Room 305

“The temptation to which we are all vulnerable is to read the Bible as if it were all about us,... to give us a little encouragement for the day. We look for verses that give us a little ‘pick-me-up.’ But... the reason the Author has written this book is to both reveal who He is and teach us who we are... He is sovereign over all things and... knows what He is doing. He knows where the story is headed and He will accomplish all of His purposes— which is the ultimate encouragement we all need.”
