**When was the last time you**  
**really focused on your marriage?**

Marriage, the way God intended it to be, is a true art form. *The Art of Marriage* weaves together teaching, real-life stories, humorous vignettes, and more to portray both the challenges and the beauty of God's design.

Whether you're newly engaged or have been married for 40 years, this weekend is what every marriage needs. So, no matter where you are in your marriage, we invite you to join us as we all continue working on this great Masterpiece called *Marriage!* We promise you'll find this event fun, entertaining, and most importantly, impactful.

**Registration: \$60/couple**

*includes conference materials, Friday dinner,  
Saturday lunch, and childcare for children 5 and under*
