What is **MISSIONAL?** (a short answer)

Jesus told us to go into all the world and be his ambassadors, but many churches today have inadvertently changed the “go and be” command to a “come and see” appeal. We have grown attached to buildings, programs, staff, and a wide variety of goods and services designed to attract and entertain people.

Missional is a helpful term used to describe what happens when you and I replace the “come to us” invitations with a “go to them” life. A life where “the way of Jesus” informs and radically transforms our existence to one wholly focused on sacrificially living for him and others and where we adopt a missionary stance in relation to our culture. It speaks of the very nature of the Jesus follower.

Hollis Academy

Mission: In the Fall of 2010, FPC entered into a partnership with Hollis Academy Elementary School, seeking to impact our community by sharing the love of Christ with students, parents and teachers there. Hollis currently has close to 750 students with over 99 percent of them receiving free and reduced lunches.

Time frame: School year

Ages: Adults and young adults

Opportunities: Mostly individuals, but also groups

YOUR HELP IS NEEDED FOR:

- **Room Parent**—committing to help out in a classroom 2 times per month for an hour or two each time; flexible times; help with end of year and Christmas parties as well; an amazing way to build relationships.
- **Reading Buddy**—paired with a 1st grade child to read with them once or twice a month (or more if you'd like) from 12:00-12:20; volunteer can pick a time of the week/month that works best for them.
- **Feed the Children Ministry**—sends home food for the weekend with 110 students; looking for volunteers to pack food bags at the church once a month or to hand out the food bags one Friday per month (1st, 2nd, or 5th Friday); takes about an hour once a month.
- **Good News Club**—after-school Bible study with the students; meets on Thursday afternoons; volunteers are there from 2:00 until 4:00pm; club runs September-November and January-March.
- **Mentoring Program**—paired with a student of volunteer's same gender; weekly commitment during lunch (about 20 minutes); building a relationship with a child in need of positive adult role models.
- **Refresh Baking Ministry**—baking a cake for teachers on the 2nd Wednesday of each month (our way of encouraging and supporting the staff at Hollis); can volunteer to bake once a year or once a month.

Many other ministries happen throughout the year. These, however, are our biggest service areas. If you'd like to be a part of this life-changing ministry, please contact Beth Simmons.

Mission: A ministry to international students who study or work at several universities and colleges in the Upstate led by Florin and Amy Palaghia. Through CCN we have the opportunity to touch the world right here at home.

Time frame: Activities and events scheduled throughout the school year and summer. Each school year is kicked off with the “Southern Hospitality Banquet” in FPC’s Fellowship Hall, during which international students from several area colleges and universities enjoy gathering together with some Americans to learn about each other and to highlight upcoming CCN activities. See <http://joshuasway.org/happenings/schedule>.

Ages: Adults ages 18 and up. (International students and scholars we work with are ages 17-45.)

Opportunities: Groups and individuals

YOUR HELP IS NEEDED FOR:

- **Friendship partners:** Extend friendship and hospitality to students who are lonely and far away from home. The American friendship partner contacts them through email, a phone call, or Facebook every week or two, and also invites the student friend to get off campus and go to lunch or dinner once every 4-6 weeks, preferably in the friendship partner’s home. *It is in the context of hospitality and friendship that we gain to opportunities to naturally discuss the things that matter in life and share our faith.* We do not ask American friendship partners to create events or activities for their international student friend but instead to invite the student into the natural rhythms of their lives (child’s soccer game, outing to the Greenville Drive game, a trip to the grocery store or shopping), include the student in it.
- **Conversation partners:** Establish friendship with students who are in need of practicing their English language skills. The student and American conversation partner meet for a minimum of 1 hour a week over lunch, coffee, or a walk to talk. It is as easy as saying “hello.” As with friendship partners, students greatly desire to have an American partner to help them practice.
- **Hosting “Stories of Jesus”:** Bible study with internationals that meets weekly on Fridays, 6:30–8:30pm
